

Are you ready?

The doors of Harrogate Christmas & Gift open this coming Sunday (16th January) and exhibitors are already busy creating gorgeous displays of the very latest in festive gifts and decorations. A full exhibitor list is available online [HERE](#) – but see below for a taste of what some companies have to offer!

There are still a few last minute exhibition spaces available at the show – so if you are a supplier and would like the opportunity to present your products to retailers and buyers, complete the online booking form [HERE](#); or contact Simon Anslow on 07798 737077.

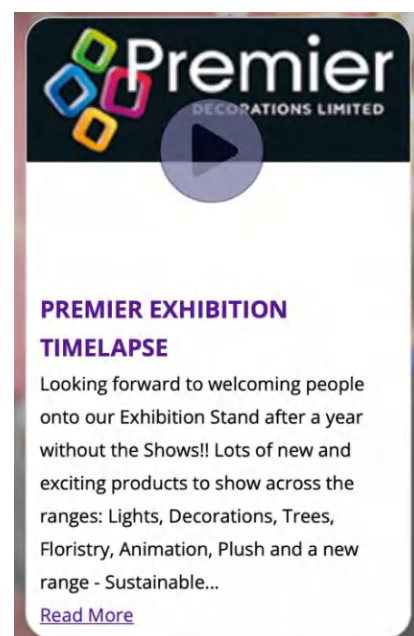

Not to be missed

Retailers and buyers visiting [Harrogate Christmas & Gift](#) will be spoiled for choice with the amazing array of fantastic new products from Premier Decorations – which will once again will fill Hall H of the Harrogate Convention Centre in its entirety.

After a year with no trade shows, this is the prime opportunity to catch up with the Premier team and see what is fresh and new to tempt customers during the 2022 festive season. Don't miss the latest innovations in lights, decorations, trees, floristry, animation and plush – and the hottest theme for this year – Sustainable Christmas with lots of exciting new eco-friendly products.

[Harrogate Christmas & Gift](#) is the only trade show that Premier Decorations will be attending this year – so don't miss the opportunity to view its exclusive Christmas and Halloween ranges for 2022.

Carbon offset

Visit Snowtime on Stand D1

In 2022 SnowTime is launching a collection of Artificial Christmas Trees which will form part of its future carbon offsetting strategy. SnowTime believes by planting sustainable trees to offset any carbon produced from this collection will give consumers comfort in knowing they are purchasing a Christmas Tree that has sustainability credentials.

When visiting SnowTime look out for the Special Tree Tag on products that are part of this ground-breaking collection.
