

Last chance to visit

Day three of Harrogate Christmas & Gift and what a great show it's been so far. Retailers and buyers have been spoilt for choice with an array of exciting new products. This year we have more than 20 new exhibitors and this has certainly added another new dimension to the show. Every year, we can't help be surprised by the creativity and innovation that the Christmas and gift industry has to offer and it's exciting to know that we will see these eye-catching designs in the shops next Christmas.

Tomorrow (Wednesday) is the last day of the show – doors are open from 9am to 4pm – so if you haven't already taken the opportunity to visit, this will be your last chance. We look forward to welcoming you. More information on the website at www.harrogatefair.com
