

## Planning ahead

With Harrogate Christmas & Gift fast approaching, retailers and buyers wishing to attend the show can find all required information on the website at [www.harrogatefair.com](http://www.harrogatefair.com)

As those of you have attended before know, Harrogate becomes a hive of bustling activity for the duration of the event from 14<sup>th</sup> to 17<sup>th</sup> January 2024, so planning ahead is essential to ensure a stress-free stay. There are lots of great hotels and guest houses in Harrogate, but with thousands of people descending on the town, these do book up quickly.

Whilst visitors are welcome to peruse the products on display and speak to exhibitors at their leisure; sometimes

stands get very busy, so if you already know there are companies you wish to speak to, booking an appointment in advance will save time waiting for someone to become available. Contact details for all exhibitors are available on the [Exhibitor List](#).

## Transforming environments

For more than 25 years, the Fountasia name has been synonymous with 'First to market' creative and innovative design, fine quality and good value, serving the garden centre and gift markets. A company recognised for 'going that extra mile' with outstanding marketing and POS materials designed to build business.

Christmas at Fountasia is a magical time of year with its largest and most spectacular curated collection of more than 620 new products. New range of Gons, new-age Nutcrackers, classic characters with a touch of humour, but most of all decorations ranging from traditional to trendy, meaningful to memorable, that instantly transform environments and create the vision that the peace and joy of Christmas has arrived.
